PROFESSIONAL EXPERIENCE

Global Media Producer
2023 – PRESENT
FlightScope — Orlando, FL
Spearhead end-to-end commercial video production and commercial product photography. Direct channel growth for FlightScope's flagship YouTube channel and live webinars while managing global localization across international markets and guiding social media best practices.

Digital Media & Marketing Director
2023-2023
TAI Audio — Orlando, FL
Led the comprehensive rebranding and digital asset overhaul, including website redesigns, marketing collateral, email campaigns, product photography, and social channels. Unfortunately, I was hired without the knowledge that this company was in serious financial trouble and they shut their doors 4 months later.

Lead Photographer
2021 – 2023
Red Rocket Studios — Orlando, FL
Directed photography initiatives across diverse corporate marketing campaigns, delivering executive headshots for enterprise clients including Mitsubishi Electric and Siemens. Spearheaded a comprehensive visual asset overhaul for CFS Brands, successfully accelerating and completing a multi-year project in under 12 months. Collaborated cross-functionally on video editing and secondary creative deliverables to support core agency objectives.

Owner / Digital Media Specialist
2015 – PRESENT
Nate Hudson Media — Middleton, FL
Deliver end-to-end multimedia solutions for commercial and corporate clients, directing cinematography, commercial photography, post-production editing, and modern web development to elevate brand presence and storytelling.

Content Developer - Cinematographer
2012 – 2015
Full Sail University — Winter Park, FL
Served as Cinematographer within a cross-functional media production team, executing high-volume video production, post-production editing, and motion graphics to develop the university's global online curriculum.

Owner / Digital Media Specialist
2010 – 2012
Nspired Xpressions, LLC — New York, NY
Served as versatile lead creative for high-profile clients including Jaguar, Celebrity Rehab, and Hoppus on Music—filling various production roles depending on client needs, including Photographer, Camera Operator, Cinematographer, and Video Editor.

Motion Graphics Editor
2007 – 2008
BES Studios — Richmond, VA
In this position, I was in charge of editing commercials on a high end node based motion graphics suite known as AvidDS. Primarily we did regional furniture stores and car dealership advertisements across the country.

Real Estate TV Producer
2005 – 2007
Comcast Spotlight — Richmond, VA
Produced and delivered high-volume real estate TV broadcast content and customized commercial advertisements for realtors, brokerage firms, and mortgage lenders across central Virginia.

ABOUT ME

Versatile Media Production Specialist with over 20 years of experience driving projects from concept to final deliverable. Grounded in a strong post-production foundation and passionate about cinematography and lighting, I combine deep technical camera expertise with compelling storytelling. Adept as a collaborative team leader or an agile solo operator capable of inspiring teams and capturing compromise-free visuals.
